

St Nicholas C.E Primary Academy

Disciples Class

Year 3

Welcome to Summer Term 1 everyone! I hope you had a good Easter break and are ready for another action packed term!

You can keep up to date with everything that we are doing in school on our class webpage:

<https://www.bostonstnicholas.co.uk/disciples-class-year-3-3/>

You can contact me by using the form on the class page or at the start and end of the day at the classroom door. The contact form can be found by following the link above.

This Term

As we enter the first of the summer terms hopefully the weather will start to get warmer which means it is even more important that everyone has a water bottle in school everyday. I know it is going to be a great term and I look forward to seeing all of the children everyday to help their learning progress and to win even more attendance awards!

Our PE days will continue to be Mondays and Wednesdays and children need to continue to come to school in their PE uniform. Please remember that the school PE uniform is a plain white T-Shirt, plain blue or black shorts or jogging bottoms, a plain blue or black sports jacket and trainers. Items of clothing should not have large logos and stripes on them and please make sure they have your child's name on them. During our PE lessons we will be going outside so a jacket is important.

Everyone has a log in for **Nessy and TTRockstars** and it is expected that everyone is accessing these for 10 minutes a day. Reading is a really important part of a child's learning and it is expected that the children are reading at least 5 times a week at home. Children should have their book bags with their reading books and reading journals in school everyday. Children will be able to change their reading books on a Monday and their Library books on a Friday.

Keeping Updated

Our class page on the school website is regularly updated with what we are learning and pictures of the things we are doing in class. You can find the class page by following the link below.

<https://www.bostonstnicholas.co.uk/disciples-class-year-3-3/>

Another way to follow what we are doing in class is by following the school and class pages on Twitter.

Class page—@StNDisciples

Important messages

Please make sure that all items of clothing are clearly labelled with your child's name. This makes it much easier to return them if they get lost.

Everyone will need to have a water bottle in school that they can use throughout the day.

To help continue to keep all of the children safe, only adults with the correct password will be able to collect from school unless your child has permission to walk home alone.

Within Our Class

Our topic for this term is Mighty Metals. During this topic we will be researching different metals and wind chimes before designing and building our own wind chimes out of metal. Please can you drop off any pieces of metal that you have been able to collect over the term to enable the children to create their wind chimes.

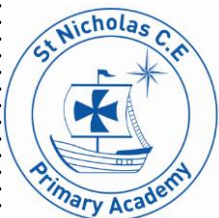

During our writing lessons this term we are going to be focusing on writing to entertain. During this topic we will be planning and writing a 1st person Narrative where we try to rescue Noah from the Noah's Ark story. We will also be planning and writing a 3rd person Narrative based on our class book, 'The Iron Man'. We will be writing an alternative problem, resolution and ending to the story.

Within Maths this term we will be continuing to focus on Number Fractions before moving on to Measure: Time. This term our Science topic is Forces and Magnets. Over the term we are going to learn about different forces and how they effect objects, what magnets are and how they work and what magnetic fields are. We will also be carrying out different scientific experiments to help us to further our learning.

For RE this term we are going to be exploring salvation. We will study the Easter story and understand what happened on each of the days of Easter. We will also explore how different people will have felt during each of these days and find out why Christians call the day Jesus died "Good Friday".

If you have any concerns, questions or anything that you need to let us know, you can: contact the school office, speak to us at drop off or collection or contact us via the class web page which can be found here:
