

St Nicholas C.E Primary Academy

Disciples Class

Year 3

Welcome back to school everyone and welcome to Disciples Class! I hope you are all as excited as I am for the year ahead!

You can keep up to date with everything that we are doing in school on our class webpage

<https://www.bostonstnicholas.co.uk/disciples-class-year-3-3/>

You can contact Mr Lee by using the form on the class page or at the start or end of the day at the door.

Expectations for Year 3

As we start Year 3 and the journey through Key Stage 2, I want to outline some of the expectations for the year ahead.

Reading is extremely important and helps children to develop their imagination, writing and spelling. To help this skill to grow, children need to be reading at least five times a week. When the children are ready to change their books, they need to tell an adult in school. The children will then be able to change their own books once they have read them to an adult.

We are still able to use Nessler and TTRockstars to help our learning whilst we are at home. It is expected that everyone will be using these programmes outside of school for at least 10 minutes a day. There are weekly awards for both Nessler and TTRockstars!

Year 3 is a very exciting year with lots of new learning opportunities so every lesson is very important! Mr Lee and Mrs. Clarke are looking forward to working with everyone this year but any wasted learning time, due to behaviour, will need to be caught up with during break times.

Important messages

PE will be on Mondays and Wednesdays each week. Children will need to wear their correct PE kits to school on these days. With the weather inevitably getting worse, it is important that the children have warm clothing to put on for outdoor PE. To help with returning any lost clothing to the correct owner, please can all items of clothing be labelled with the child's name. In Year 3, the children will start to take more responsibility for their reading. This includes telling an adult at school when they need to change their reading books.

Keeping Updated

You can follow what our class does on Twitter.
School page—@BostonStNic
Class page—@StNDisciples

Remember to keep an eye on our new class page on the school website to keep up to date with everything we do!

Within Our Class

Our topic for this term is Burps, Bottoms and Bile. During this exciting Cornerstones topic we will be exploring different types of snacks, comparing healthy and unhealthy diets and designing a new snack that is good for oral health!

This term we will be focusing on Writing to Inform and will be learning about Diaries and Non-Chronological Reports. Whilst looking at each text type, we will start by looking at a good example, learning about the features and then identifying them in the example. We will then move onto planning, writing, proof reading and editing our own work.

Within Maths this term we will be using White Rose and we will be focussing on Place Value and Addition and Subtraction.

During our Science lessons this term we will be learning about the different food groups and nutrients that are in foods. We will be learning how each type of nutrient helps our body and what makes a healthy diet. We will also try and design a healthy meal using different types of food.

For RE this term we will be learning all about Hinduism. Over the term we will learn about the main beliefs of Hinduism and the symbols that are used in Hinduism.

If you have any concerns, questions or anything that you need to let us know you can contact us via the class web page which can be found here:

<https://www.bostonstnicholas.co.uk/disciples-class-year-3-2/>

Alternatively you can call on 01205 363210 or see me at the classroom door at the start or end of the day.

Ready to learn; Prepared to Flourish
