

Our Learning

Within **RE** we will be learning about how Hindus and Muslims practise their faith in the community. We will explore how we can relate to this and the impact it has on our own beliefs.

Sport

Our PE days will continue to be **Monday** and **Wednesday** every week. Our topics for PE are invasion games and bootcamp.

Children will need to **come to school wearing their PE kit** on these days. We will be outside for PE except in the event of heavy rain.

The children will require; trainers, black jogging bottoms, white T-Shirt and a sports jacket. For health and safety, all

Pilgrims Class
Autumn Term 2
2020

Welcome to Term 2!

We have had a fantastic first term and I am so excited to tell you what this next term has in store. Please remember, you can contact me via the class page on the school website and I will respond as soon as possible.

Year 4 expectations

As always, when in school, children must be wearing the correct uniform, including black school shoes, with shirts tucked in. Presentation is extremely important in books and needs to be the best it can be. If it is not, children will be asked to do it again. If behaviour is not to standard, and learning time is wasted, this will be made up during break times and lunch times - it is vital that education is cherished.

Reading is crucial to a child's development and, as well as reading 5 times per week, it is expected that children write in their own journals about what they have been reading. If children have read 5 times per week, they have the

Within Our Class

Our next topic this year is 'Gods and Mortals' focusing on the Ancient Greeks. This is a fantastic topic in which we will be learning about the Olympics, the different Ancient Greek Gods and Goddesses, finding where in the world Greece is and looking at Ancient Greek artefacts.

We will kick off this amazing topic with our Olympic WOW event, where the children will compete in their house teams and take part in lots of different Olympic events—check out our class web page for pictures from this event!

Our **English** lessons are going to be focusing on first and third person narratives. We are going to link closely to our topic and look at a range of Ancient Greek myths including 'The Twelve Labours of Hercules'.

Within **Maths** this term we will continue to use White Rose and our focus will be on length and measure before moving on to multiplication and division.
