

RE In RE this term we are going to be looking at our next value of "Justice" and what this means to us. We will also be looking at the Christian creation story and understanding why this is important to Christians.

Sport

Our PE days will continue to be **Monday** and **Wednesday** and **every other Friday** each week.

Our topics for PE are "Dynamic Dance" and "Mighty Movers" (Boxercise). Children are to come to school in their PE kits and will not be changing in school. We will be outside for PE except in the even of heavy rain. Children will require; trainers, black jogging bottoms, white T-Shirt and a sports jacket. For health and safety, all long hair must be tied up and jewellery removed independently or tape provided to cover, unless worn for

Pilgrims Class
Spring Term 2 2021

Welcome back to Spring term 2

We all achieved amazing things last term, working in school and at home, and I know we will do the same this term. All remote learning will be on the website on the following link <https://www.bostonstnicholas.co.uk/pilgrims-class-year-4-2/>

For children working at home, we will still be available in school and can be contacted by email via pilgrimsremote@infinityacademies.co.uk or over the phone on 01205 363210

Year 4 expectations

When in school, children must be wearing the correct uniform, including black school shoes, with shirts tucked in. Presentation is extremely important in books and needs to be the best it can be. This is the same when working at home. Work is still expected to be well presented. If you require a book, paper, ruler, or any other equipment to use at home, please get in contact with school- it is vital that education is cherished.

Reading is crucial to a child's development and children are still expected to read five times per week and record this in their journals. Children are now also able to use Microsoft Bookings to read online to an adult. We absolutely love hearing you read to us.

Within Our Class

Our topic this term is "Traders and Raiders". We will begin this topic with our WOW event, where we will be building our own Viking longboats. We hope you will join us doing this at home too!

During this topic we will be taking part in lots of different activities including; using ordnance survey maps to find different locations, exploring the everyday life of Anglo-Saxon settlers, dramatizing the events of Alfred the Great's battle and writing diary entries as a Viking soldier.

Our **English** lessons this term are going to focus on writing to inform. This will be through writing non-chronological reports and writing formal and non-formal letters.

Within **Maths** this term we will continue looking at fractions including adding and subtracting fractions, before moving onto decimals where we will be looking at tenths and hundredths on a place value grid and dividing one digit numbers and two digit numbers by 10.

Be sure to visit our class page <https://www.bostonstnicholas.co.uk/pilgrims-class-year-4-2/> where there will be lots of information on this subject.
