

Our Learning

Our topics for PE are athletics and fitness.

Within RE we will be learning about celebrations in Christianity, Hinduism and Islam.

We will also be focussing on handwriting and learning the cursive joins.

Sport

Our PE days will be **Monday** and **Wednesday** every week.

Children will need to **come to school wearing their PE kit** on these days. We will be outside for PE except in the event of heavy rain.

The children will require; trainers, black jogging bottoms, white T-Shirt and a sports jacket. For health and safety, all long hair must be tied up and jewellery independently removed or tape provided to cover, unless worn for religious reasons.

Year 4

Pilgrims Class

Autumn Term 2020

A very warm welcome back to school everyone. I am thrilled to be starting here at St Nicholas and am looking forward to welcoming all of the new year 4s into Pilgrims Class!

As you continue your journey through Key Stage 2, we are going to be learning lots of new skills and developing the ones you already have. We will begin this year with our first topic 'Playlist'.

Throughout the year, you can contact me via the class page on the website and I will respond as soon as possible.

Year 4 expectations

When in school, children must be wearing the correct uniform, including black school shoes, with shirts tucked in.

Presentation is extremely important in books and needs to be the best it can be. If it is not, children will be asked to do it again.

If behaviour is not to standard, and learning time is wasted, this will be made up during break times and lunch times.

Reading is crucial to a child's development and, as such, children are expected to read at least 5 times each week.

Within Our Class

This term is going to be a fantastic start to Year 4. I am really looking forward to having everyone together to be able to enjoy our learning once again.

Our first topic this year is 'Playlist'. This is a brand new topic in which we will be learning about different musicians, genres of music, instruments and watching live performances. We will be focussing on two main projects in our topic lessons. One of these centres around one of the most

iconic bands, The Beatles, where we will be learning about their music and fashion and trying to bring them into the year 2020. In our second

project, we will be learning all about musical instruments, inventing and creating our own instrument!

Our English lessons will be closely linked to our 'Playlist' topic. We will be writing a diary entry as a member of The Beatles, writing a Newspaper about the launch of our new instrument and writing Haiku poems about different musical items.

Within Maths this term we will be using White Rose and our focus will be on Place Value, Addition and Subtraction.

Ready to learn; Prepared to Flourish
