

In an Emergency

We have been discussing different types of emergencies and what to do if we find ourselves in these situations. In the table below, choose an emergency to write in the first column. Then, in the second column, record what action you could or should take in this situation and in the third column, write down who you think could help in this emergency.

Emergency	What action should you take?	Who could help?

This resource is fully in line with the Learning Outcomes and Core Themes outlined in the PSHE Association [Programme of Study](#).
