Dear Mrs Booth,

As you know, this is year 6's final year at the wonderful St Nicholas Primary School. We have all very much enjoyed our time here and would love to end the year in the best way possible. That's why I am writing to you, as a hard-working member of year 6, to ask that we are allowed to have a party in July.

It is indisputable that the current year 6 class are the best class that St Nicholas Primary School has ever had. Our humour, attitude, work ethic and brilliance alone are enough of a reason to celebrate. Last year's year six had a simple leaving assembly; this surely does not reflect the superior standard of our class. The only logical step is to hold a party – the most fitting way to reflect the high standards and excellence of year 6.

Without a doubt, our potential SATs results are a result of unrivalled hard work and dedication during our studies at this school. Shouldn't our unwavering effort be justly rewarded? If future classes are to succeed as we have, it is clear that a worthy reward, such as a party, would motivate and enthuse them. It is the least that hard working students deserve after exam pressures.

Ultimately, it cannot be forgotten that a year 6 party will provide the final opportunity for year 6 to spend enjoyable time together before progressing onto different high schools. Surely, you would not deny us a last celebration together before we head in different directions? A party would be crucial to our happy memories of St Nicholas Primary School which would last a lifetime.

In brief, with your support and a small budget, we could make year 6's dreams a reality and truly reward the hard-work and effort that year 6 have shown during their time at St Nicholas Primary School. In conclusion, I'm very hopeful that you will support this exciting opportunity.

Yours sincerely,

Prophets
