Year 6 – The Prophets

@StNProphets

We can hardly believe it but we have reached Summer term already. This year is going past in a blur at school and Prophets class have been a beacon of light throughout the year. As we enter the new term, we will be beginning to equip Year 6 for next year as they look towards their next chapter of their education

Topic – Our topic for this term is a mystical journey into the world of Alchemy Island. Prophets class will be disappearing through the gateway portal into the fantasy realm, discovering a lost land of spells, potions, adventure and music. The children will have to use all of their imagination to enter this magical landscape.

Science – Mrs Dougill and Prophets class have an exciting Science unit this term as they jump in with some biology. The class will be exploring the internal organs of the human body and focusing on the circulatory system. Prophets will enjoy discovering how, and why, blood travels around the body and the special role it plays in not only keeping us moving, but keeping us alive.

RE – This term in RE we are looking at life journeys with a focus on the Hindu and Islamic faiths. We will be exploring their rites of passage and how religion can create a sense of social identity and belonging as well as understanding the impact religion can have on people's lives.
