## Year 6 – The Prophets

@StNProphets

In what seems like a whirlwind of a year, Prophets class find themselves in the final term of the year and the final term of their primary school journey. This year has flown past and we could not be more excited to see what this last term has in store for us. This final term will be key as we look to set up Prophets class for the next step of their education.

Topic – In Topic this term we are looking at 'Tomorrow's World'. This is all about technology, past, present and future. We will be designing our own robots, looking at the history of technology and how it progresses rapidly each year, discussing the use of 'artificial intelligence' and so much more.

Science – Mrs Dougill and Prophets class have an exciting Science unit this term as they continue with their exploration of biology. The class will now be developing their understanding of the human body and how to keep it healthy. Prophets will be finding out how they can look after their bodies, keeping themselves fit and healthy by looking at drugs, exercise and diet.

RE – In RE this term we are continuing to look at Life Journeys in Christianity, Islam, Judaism and Hinduism. We will discuss how different cultures celebrate Rites of Passage, find similarities and differences between them, and debate claims about God, the World and Human Beings.

### Learning expectations

In Year 6 our expectations are:

- Reading should be completed 5 times per week and written in a reading record.
- Times Table Rock Stars should be completed 5 times a week for 10 minutes.
- Home learning pages will be set for Comprehension, Maths and Grammar on Thursday ready to be handed in the following Tuesday.
- Spellings will be sent home by Mrs Dougill on a Thursday to be practised for the following week.

If you have any further questions about Year 6, please do not hesitate to ask. You can contact us through the 'Ask a teacher section' of the class page on the school website and we will endeavour to reply as soon as possible. If you have any immediate issues please contact the school on 01205 363210.

Staff – Mr Bell, Miss Allen, Mrs Dougill and Mr Jacques
