

Funny Faces

For art this week, my challenge is for you to make funny faces using things you can find around the house, garden or whilst out walking. You could even make a collage using pictures cut out of old magazines.

Here are some ideas for you to look at.

I wonder how many different faces you can make? I'd love to see some photographs of your creations so send them to your class remote learning email address -

I can't wait to see all of your funny faces!
