Exploring Materials

Today you are going to explore some different materials, which is very exciting!

These are the **very important** things you need to remember to **stay safe**.

- Listen to all the instructions carefully.
- Be sensible.
- Be gentle with the materials.
- Look out for any sharp edges.

Sorting Materials

Have a go at using the pictures on the sheets or objects around your house to sort different objects into what they are made from .

Describe the objects you have sorted!

Can you think of three words to describe your material?

Next Step:

Can a chair be made out of glass? Why do you think that?
