

Street View

This term we are working towards a BIG collaborative piece of temporary art to display around school!

The first step is to do some research...

We are going to look at the different buildings we have in our neighbourhood. Ask a grown up to help you

take some photographs while out on a walk.

When you get home, have a go at making some thumbnail sketches of the buildings, like mine – a thumbnail sketch shows the shape and basic details of the objects you are looking at.

Keep your work safe as you will need it for the next few lessons.

Don't forget to send photographs of your work to your class remote learning email address –

gospelsremote@infinityacademies.co.uk

I can't wait to see your sketches!

Miss Allen
