

St Nicholas C.E Primary Academy

Disciples Class

Year 3

Welcome back to school after half term!

I hope you all had a brilliant week off and you are rested ready for another exciting Term!

This term we have lots of exciting new learning to do and lots of opportunities to build on our previous learning. Our Cornerstones Topic for this term is 'Gods and Mortals' which I know will be lots of fun to learn about!

Throughout the year, you can contact me via the class page on the website and I will respond as soon as possible.

Keeping Updated

You can follow what our class does on Twitter.

Class page: @StNDisciples

Mr Lee: @Mr_C_Lee

Mr Rowlatt: @MrRowlatt

Remember to check our new class page on the school website to keep up to date with everything we do!

<https://www.bostonstnicholas.co.uk/autumn-2/>

The school also has a Facebook Page: 'St Nicholas CE Primary Academy'.

Sport

Our PE days will be Monday and Wednesday every week again this term. **Children will be continuing to come to school wearing their PE kit on these days.**

We will be outside for PE except in heavy rain and as the weather turns colder, children will need to bring warm clothing. This should be a sports jacket and tracksuit bottoms that are either blue or black.

Our Learning

Our topics for PE are Throwing and Catching and Core Strength.

Within RE we will be learning about the religion Islam.

Children need to be **reading** at least 5 times a week and are encouraged to make their own entries into their journals about what they have read. Everyone should also be using Times Table Rockstars at home.

Parent Hub

Everyone at St Nicholas Academy needs to be registered for Parent Hub. Moving forward we will no longer be sending any paper copies of letters home, they will all be on Parent Hub. As well as this, any updates about class or school matters will be done through Parent Hub. If you need any help signing up to Parent Hub, please do not hesitate to ask.

Within Our Class

This term is going to be another brilliant term for Disciples Class.

Our **topic**, Gods and Mortals, is going to be very enjoyable. Over the topic we will be learning about, and taking part in: an Ancient Olympic Games, locating Greece on a map and describing the terrain of Greece. We will also be researching Ancient Greece, different parts of Ancient Greek life, ordering different events from Ancient Greece and learning about famous people from Ancient Greece.

Our **English** lessons this term will have a focus on 'Writing to Entertain' and we will be looking at re-writing Ancient Greek Myths in the first person and an alternative ending to 'The Sheep Pig'.

Within **Maths** this term we will be using White Rose and our focus will be on:

Addition and Subtraction and Multiplication and Division.

During **Science** this term we will be learning about 'Forces and Magnets' and trying to work scientifically during experiments.

If you have any concerns, questions or anything that you need to let me know you can contact me on the class web page or give me a call on 01205 363210.

I'm always more than happy to help!

"Ready to learn; Prepared to Flourish."
