Quick Start

- Where was Louis Braille born?
- How did he lose his sight?
- How many dots were in the language he invented?
- What was the name of the language?

Vocabulary Check

- his father's harness workshop
- grabbed an awl
- he was granted a scholarship
- the huge books in the library had raised letters

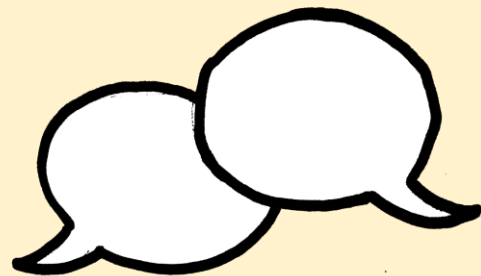

Individual Thinking

Why did Louis need to go to a special school for blind people?

Partnered Talk

Why do you think people weren't convinced that the language of braille would catch on?

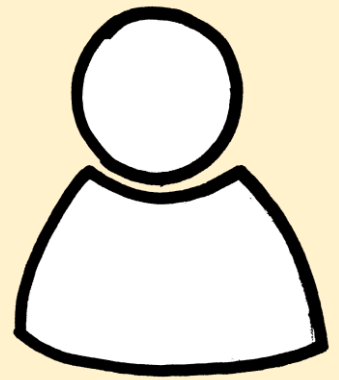

Think about what they had at the time.

Individual Thinking

How might braille help a blind person in their
everyday life?

Solo Work

What can we learn from Louis Braille?
