To be able to create a story  
board for my ideas.

Talk to your partner, what type of  
text are we currently working with?

Today we are going to be thinking about our own ideas for a playscript!

We are going to be writing a playscript based on the story that we are reading as a whole class...

The Iron Man

We will be using the part of the Playscript where the farmers are trying to trap the Iron Man.

Tell your partner what happens during this part.

So you will need to pick out the most important and entertaining parts from this section of the story to use on your storyboard.

These storyboards will help us when we come to plan and write out own Playscripts using the same part of the Iron Man story.

We will have a look at how we are going to use the storyboards now.
