To be able to recall the Easter Story.

Warm up task

What religion does the Easter story come from?

Today we are going to be starting our new RE topic, Salvation.

We will be continuing to look at Christianity

What is Salvation?

Salvation means being saved or rescued from harm, ruin or loss.

Salvation explained using the Bible.

We will be continuing to explore Salvation using the Bible this term, but here is an introduction.

Salvation means being saved or rescued from harm, ruin or loss.

Christians believe that God sent Jesus into the world 'save His people from their sins'. Sin was dealt with by Jesus in his death and resurrection. Through following faith they believe they are now saved. The ultimate salvation is during the second coming when Jesus returns.

The theme of salvation runs through both Old and New Testaments and is both spiritual and physical.

Today we are going to be looking at the Easter story and seeing how that shows salvation. Let's refresh our minds of the Easter story now.
