

Anglo-Saxon Patterns

The Anglo-Saxons were highly skilled craftsmen and women who created jewellery, ceramics, sculptures and wall paintings which included intricate designs.

This week we are going to have a go at drawing some of the patterns the Anglo-Saxons used. Use the pictures here to copy from or search for your own images online. Try and fill a whole page with patterns. Would any of them work well if they were combined? Have a go at creating your own Anglo-Saxon inspired patterns.

Keep your drawings safe as you will need them for next week's lesson. Remember to send photos of your work to your class remote learning email address –

disciplesremote@infinityacademies.co.uk

I can't wait to see your sketches!

Miss Allen
