

Count On Me

Bruno Mars

Quick Start

- You can count on me, like ____, ____, ____
- If you're tossin' and a turnin' and you just can't fall to sleep, I'll ____ a

- You'll always have my _____ when you _____

Individual Thinking

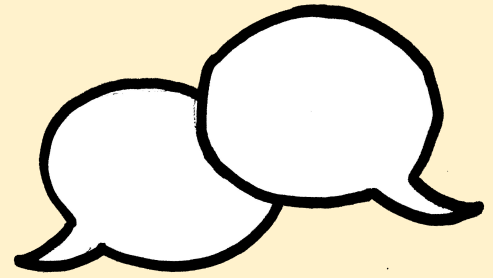

*I'll sail the **world** to find you*

What does this tell you about the lyricist?

Focus particularly on the emboldened word.

Partnered Talk

*Find out what we're made of when we are called
to help our friends in need.*

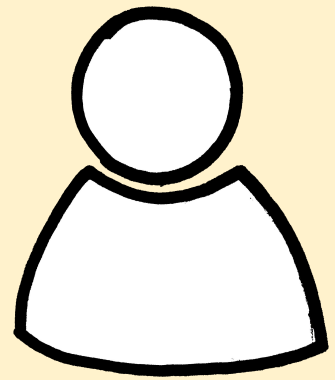

What do you think 'find out what we're made of'
means?

Individual Thinking

Find as many thing as you can that you can
count on the lyricist to do.

Solo Work

Cause that's what friends are supposed to do

To what extent do you agree with this? Should you always be able to count on your friends?
