

Can you answer these retrieval questions? Retrieval means all of the answers are in the text so you need to find the answer and copy it as it is in the text.

- 1) What keeps falling on his head?
- 2) What won't defeat me?
- 3) Who did the poet talk to?
- 4) What would cause the poet's eyes to turn red?
- 5) How will the poet never stop the rain?
- 6) It will be long until happiness steps up to greet me. Is that true or false?
