Paragraph 2

How to write your second paragraph?

Your second paragraph is explaining the next point. Why is St Nicholas School amazing?

Like the first paragraph, this section should be no more than six sentences and remain on one topic.

Let's have a look at my second paragraph.

Our school has five core values that we use every day. These are Hope, Curiosity, Love, Unity and Integrity. We think that these are important values to remember and live by, as they remind us how to be the best version of ourselves and how to treat those around us.

What do you notice about this paragraph?

What does it tell you?

Think carefully about what you need to include in your second paragraph. Remember, we are writing to persuade.

Be positive, be engaging!

Can you write your own second paragraph using the notes in your plan from last week?
