

St Nicholas C.E Primary Academy

Disciples Class

Year 3

Here we go with another action packed, amazing term in Disciples Class!

This term our Topic is "Traders and Raiders". We have lots of very exciting learning ready for the term all about Anglo-Saxons and Alfred the Great!

You will find everything you need on our class page on the school website. There is also a contact form that you can use to contact Mr Lee for anything that you need. <https://www.bostonstnicholas.co.uk/disciples-class-year-3-2/>

Keeping Updated

You can follow what our class does on Twitter.

School page—@BostonStNic

Class page—@StNDisciples

Mr Lee—@Mr_C_Lee

Mr Rowlatt—@MrRowlatt

Remember to check our new class page on the school website to keep up to date with everything we do! <https://www.bostonstnicholas.co.uk/spring-2-4/>

The school also has a Facebook Page 'St Nicholas CE Primary Academy'.

Our Learning this term

As we start this term our learning will continue to be accessed remotely, from home. This will be in the exact same way as it was last term.

I know that everyone in Disciples loves learning and have amazing attitudes towards their learning; this is a brilliant time to show this to everyone at home as well as the people in school!

We need to see all of the Remote Learning that you are doing, so continue to send pictures of it to Disciplesremote@infinityacademies.co.uk and one of the team will be able to reply to the email with praise and opportunities for development and progression.

I can not wait to be able to welcome the whole class family back into school, but we must wait for the Prime Minister to announce that it is safe to do so. As soon as anything is able to change we will be in touch at the earliest possible opportunity.

Children still need to read at least 5 times a week and everyone should also be using Times Table Rockstars, remember we have weekly champions! Who will make it into the Hall of Fame this term?

Updates

Everyone is so excited to welcome you all back into school as soon as we are able to. Any and all school updates will be published on Parent Hub and the school website.

Please note that we do not find out any information from the Prime Minister until the briefings. As soon as we have any updates they will be posted on Parent Hub and the school website. Please monitor these to keep up to date.

Within Our Class

Our topic for this term is Traders and Raiders which we started with an amazing Remote Wow day learning about longboats and building them! Over the term we will be learning how to use maps, research what life was like for Anglo-Saxon settlers, learning about Alfred The Great amongst other exciting things!

Our topic will also feature in our English lessons this term where the focus will be writing to inform. We will be writing non-chronological reports and letters to inform all about different parts of our topic.

Within Maths this term we will be using White Rose and our focus will be on:

Measure; Length and Perimeter and Fractions.

During Science this term we will be continuing to build our learning about Plants and trying to work scientifically during experiments.

All Remote Learning can be found on the class page of the school website. Details can be found above.

If you have any concerns, questions or anything that you need to let me know you can contact me via the class web page by following the link above.

Ready to learn; Prepared to Flourish
