

Making Music!

This week we are going to have a look outside to see if we can find anything to make music with!

What sounds can you make using sticks?
What happens when you tap stones together?
Do leaves make a noise?
I wonder if you can make up a tune using different sounds?

Get your grown-ups to take some photographs or a short video of your music and add them to your Tapestry account.

I can't wait to hear your tunes!
