

Shackleton's Journey

William Grill

Slides 1-12

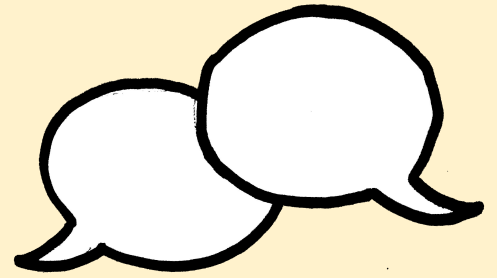

Quick Start

- What is Shackleton's first name?
- How many men applied to be recruited for the expedition?
- How many men in total travelled on the ship for the expedition?
- Why did Shackleton choose to take dogs on the ship?
- What was the ship's name?
- When did the ship set sail?

Vocabulary Check

- On expeditions
- and insubordination
- at Grytviken whaling station
- Occasionally the foresail was reefed so that dangerous growlers might be spotted
- Progress was slow and laborious
- Hurley filmed this process whilst hanging below the jib boom.

Partnered Talk

What is a 'good temperament'?

Why was it important for the dogs on the ship to have a good temperament and a thick coat?

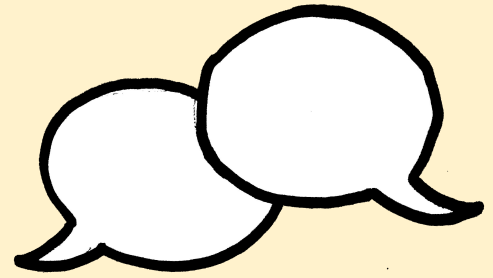

Individual Thinking

Did Shackleton enjoy school?

Support your answer with evidence from the text.

Partnered Talk

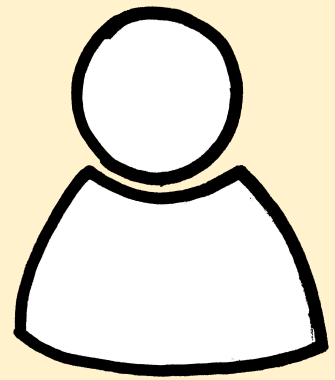

Do you think Shackleton was right to get rid of some of his crew? Why?

Individual Thinking

Summarise the journey thus far in one word and explain your choice of word.

Solo Work

Predict what you think will happen to the crew on their journey.

Will they be successful?
