

LO: To write a biography about the life of Charles Darwin.

Today you will be writing paragraphs 1,2 and 3 of your biography.

Yesterday you planned your biography!
Today you will be starting to write it.

First write your Title

Who is your biography about?

Next you will need to focus on your first paragraph.

You will need to introduce the subject of the biography, giving a brief overview of what Charles Darwin did.

Example

Charles Robert Darwin was an English naturalist, geologist and biologist, best known for his contributions to the science of evolution...

From this introduction you will go straight into his personal life (using your ideas from your plan and Marking ladder)

Example.

Personal life

Born in Shrewsbury, Shropshire, on 12 February 1809, at his family's home, The Mount, Charles was the fifth of six children of wealthy society doctor and financier Robert Darwin and Susannah Darwin...

From here please continue each paragraph of the biography, using a strong opener and factual information.

By the end of today's lesson you need to have written Paragraphs 1, 2 and 3

You will be writing the remaining paragraphs on Friday.
