L.O. To use evidence from the Bible to explain why Christians believe in resurrection

Using the evidence from Luke's Gospel 24 and from the video clips, you are going to write a short presentation (1 minute) to bring together all of the evidence. Your title is...

Why do Christians believe in the resurrection?

Reminder: This presentation needs to explain *why* Christians believe this. You are not proving whether or not the resurrection happened. Christians have faith and they believe in the resurrection.
