Write the questions and answers in your books.

1. What did the man take out from his suitcase?
2. What is the name of the man on the train?
3. Do you predict that the man and Sylvia will become friends?
4. Why does the train 'abruptly stop'?
5. The man has heard of Sylvia's family being VERY wealthy... how could that become an issue later in the book?

Write down:

‘My old mother used to say that every girl should be able to cook, play the piano, sing and shoot.’

What do you make of this statement? Is it something that all girls should be able to?
