

Word Webs Activity Sheet

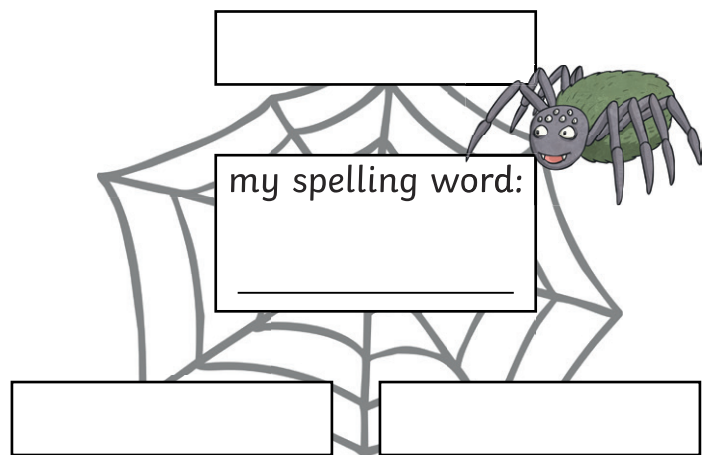

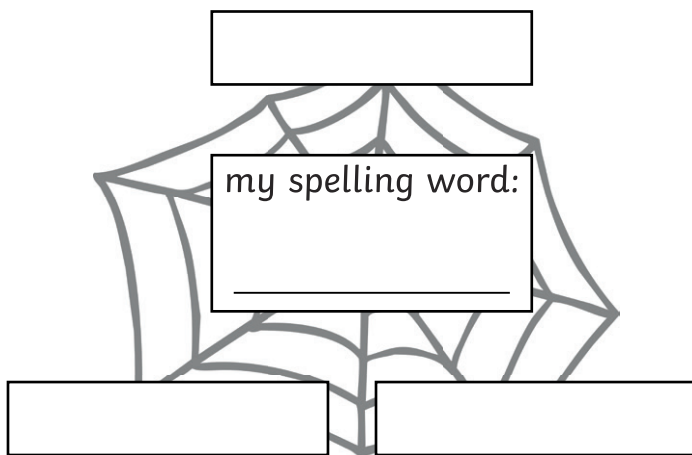

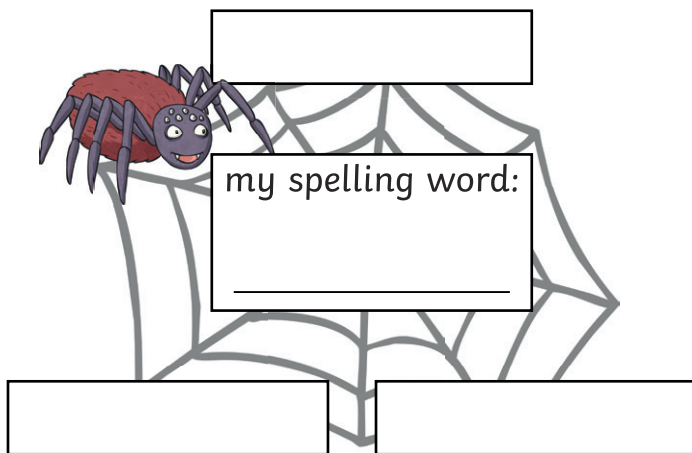

This week, we are looking at words with -tious and -ious endings.

You are going to use a thesaurus to create word webs for some of your spelling words.

ambitious	cautious	fictitious	infectious	nutritious
contentious	superstitious	pretentious	obnoxious	anxious

Instructions:

1. Choose one of your spelling words from the list.
2. Write it in the spider in the middle of the word web.
3. Use your thesaurus (or your brain) to find three synonyms for your word.
(CLUE: A synonym is a word that has the same meaning).

Challenge Task

How many smaller words can you find inside the word 'contentious'? e.g. contentious → on
