

Top Tips for Keeping Safe around Strangers

There are some rules we must follow to keep ourselves safe around strangers.

To help us to remember these rules, draw a picture next to each one.

1	Never go anywhere on your own with a stranger, especially not in their car.	
2	YELL, RUN and TELL if you feel unsafe around a stranger.	
3	Find a safer stranger and tell them if you feel unsafe.	
4	Ask a trusted grown-up if you can go online and make sure they are near in case you need them.	
5	Keep personal information (name, address, school, username, password, photos) private.	
6	Never arrange to meet a stranger in person.
