

Using 'and' to
join phrases.

LO: To join clauses (parts of a sentence) using 'and'.

Success Criteria:

- I can join two parts of a sentence using 'and'
- I can take the full stop out and replace it with 'and'
- I remember that there should not be a capital letter after 'and'

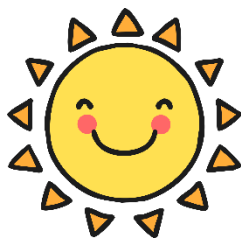

Starter Activity

Choose an ending to go with each sentence starter.

I like playing football and ...

It is warm outside and ...

The house was tall and...

I am going to the beach

I like playing basketball.

looked very scary.

The word 'and' can be used to join two sentences together.

She listened to her teacher. She did exactly as she was told.

She listened to her teacher and she did exactly as she was told.

The full stop has been replaced by the 'and'.

Activity

Can you take out the full stop and add an 'and' to make these short sentences in to one single sentence?

Don't forget to take the capital letter out when you add an 'and'.

When it snows, we like to throw snowballs.
We like to build snowmen.

When it snows, we like to throw snowballs
and we like to build snowmen.

Activity

On your whiteboard, join these sentences using 'and'

- 1) She ate some birthday cake. It was very tasty.
- 2) The children worked very hard. Their teacher was proud.
- 3) We watched England play. It was a great match.
- 4) 'Frozen' is my favourite film. Olaf is my favourite character.
- 5) The sun was out. I put some sun tan lotion on.

Activity

Can you complete these sentences?

E.g. I got to school early and I went to breakfast club.

I painted a picture and....

My sister was being silly and ...

Her hair was golden like sunshine and ...

I wore my coat and...

I went swimming and

He read his book to his mother and.....
