

Noahs Ark Class Week Commencing 11/05/20

Here you will find some suggestions of activities that you can do this week.

Please note: this is not a compulsory list or requirement to complete.

Keeping Active	Being Creative	Family Time
Every day Joe Wicks is completing a free session at 9:00am to help you start the day in the right way. We have been using these in school and they are great fun! Go Noodle – Superheroes Unite – all those Superhero children out there click to join in https://www.youtube.com/watch?v=onnEaINBaGg	Junk modelling - Collect some packaging before it goes into your recycling bin. What can you create? See the resources section for ideas.	Put some music on and have your own family disco. Choose your favourite song to dance to. Why not help out doing the washing? Can you match up the socks and who they belong to? Compare the sizes and maybe you could practice counting in two's when they are matched – click on the link below and see resources https://www.youtube.com/watch?v=GvTcpfSnOMQ
RE and Mindfulness	English	Maths
Our value this term is perseverance. Think of a new skill that you would like to learn. Keep persevering until you have achieved your skill. Share with Mrs Tory what your new skill is on Twitter @BostonStNic and @StNNoahsArk or the school Facebook page.	Look at the pictures and read the words. Can you make different sentences? How many different sentences can you make? Maybe you could write them out too!	Click on the link below to watch Numberblocks 'Double Trouble' https://www.youtube.com/watch?v=Bot83VxMLqM See the resources section for activities.
Reading	Phonics and Spelling	Topic
Read the Three Little Pigs story. Talk about the different materials that the pigs use for their houses. Why do some stay up longer than others? Can you draw pictures to re-tell the story? Which house came 1st 2nd and 3rd?	Click on following link for Letters and Sounds phonics lessons. Look at the Phase 3 word mat in the resources to choose which sounds you need to practice. https://www.youtube.com/channel/UCP_FbjYUP_UtIdV2K_-niWw/featured?disable_polymer=1 See the resources section for phonics activity.	Will you read me a story? This week is the Three Little Pigs. Make your own mask or use the template in the resources section. Can you 'huff and puff?' Make houses out of materials, which lasts the longest.
