Noahs Ark Class Week Commencing 04/05/20

Here you will find some suggestions of activities that you can do this week.

Please note: this is not a compulsory list or requirement to complete.

Keeping Active	Being Creative	Family Time
Every day Joe Wicks is completing a free session at 9:00am to help you start the day in the right way. We have been using these in school and they are great fun! 'Squish the Fish' - A Cosmic Kids Yoga Adventure https://www.youtube.com/watch?v=LhYtcadR9nw	Friday 8th May commemorates the 75th anniversary of VE day. Go to the resources section to learn more about VE day and how you can celebrate the day by making your own flag to wave.	When it is dinner-time can you help and set the table? How many forks do you need? What other things do you need? Share a story together-can you act out the story together? A Bear Hunt is a favourite https://www.youtube.com/watch?v=0gyI6ykDwds
RE and Mindfulness	**English**	**Maths**
'Perseverance', our value this term, means keeping going when you face a challenge. Think of something you find tricky, doing a zip, fastening your shoes. Can you show your strength and perseverance when attempting the task? See the resources section for the colouring sheets relating to our topic. When you would like to sit quietly get your pencils and crayons out and colour away.	After reading or listening to the Jack and the Beanstalk story use the 'word mat', 'sentence reminder' and 'sentence activity' sheet to write your own sentences.	Write out numbers 1-20 or use the Jack and the Beanstalk cards from the resource section. Can you collect items of the correct amount to match your number.
Reading	**Phonics and Spelling**	**Topic**
Ask a grown up to read the story 'Jack and the Beanstalk' from the resources section. Talk about how the story ending could be different. Share your ideas to think up alternative endings.	This week we will be learning the new sounds 'ure' and 'er'. Watch the video and then try the activity to practice.	**Can you read me a story?** Our new topic is looking at lots of traditional stories. After reading the 'Jack and the Beanstalk' story watch the beanstalk grow – maybe you could grow your own beanstalk. https://www.youtube.com/watch?v=w77zPAtVTuI
