

Pilgrims Class Newsletter September 2019

It has been wonderful to see the children dive into their learning full of enthusiasm; we are off to a great start this term and our new arrivals have settled in brilliantly. As always, if you have any questions, or would like to make an appointment, please talk to Mr Gormal or Mrs Stukins.

P.E

Please ensure P.E kit is in school every day. Y4 have P.E lessons every Monday and Thursday afternoon.

Topic

Our topic this term is 'Blue Abyss'. We will be learning about the plants and animals in the oceans and what we can do to protect their habitats.

Maths

In Maths this term we are covering number, place value and calculations involving the four operations. Please encourage your child to access TT Rockstars from home as we know how much of a positive impact it has on their learning.

Healthy Snacks

Children may bring in a healthy snack for break. This should only be a portion of fruit or vegetables.

English

We will be writing reports about Sharks, creating sci-fi stories set in a secret underwater base and writing leaflets to persuade people to look after the oceans. We expect the children to practice their spellings each week and read at home at least three times a week.
