Vision:

At St Nicholas CE Primary Academy, we believe that all pupils should develop physical literacy and possess the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and life long participation in physical activity and sport.

Our Key Aspirations for 2020/21:

- 1) For the children of St Nicholas CE Primary Academy to access a varied and active PE curriculum, which enables them to develop and enhance their skills in several aspects of PE and Sport.
- 2) To provide opportunity for our children to participate in sporting matches, festivals, development days and tournaments against other schools, in a greater variety of sports.
- 3) To give the children of St Nicholas CE Primary Academy an understanding of how to live a healthy life style.

Objective:

To achieve self-sustaining improvement in the quality of PE and sport in primary schools and we would expect indicators of such improvement to include:

- A. The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
- B. The profile of PE and sport being raised across the school as a tool for whole school improvement
- C. Increased confidence, knowledge and skills of all staff in teaching PE and sport
- D. Broader experience of a range of sports and activities offered to all pupils
