PE and School Sport Annual Plan 2019/20

St Nicholas CE Primary Academy

Infinity Academies Trust

Vision:

At St Nicholas CE Primary Academy, we believe that all pupils should develop physical literacy and possess the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and life long participation in physical activity and sport.

Our Key Aspirations for 2019/20:

- 1) For the children of St Nicholas CE Primary Academy to be taught a varied PE curriculum, which enables them to develop and enhance their skills in several aspects of PE and Sport.
- 2) To provide opportunity for our children to participate in sporting matches, festivals and tournaments against other schools, in a greater variety of sports.
- 3) To ensure that the children of St Nicholas CE Primary Academy understand how to live a healthy life style.

Objective:

To achieve self-sustaining improvement in the quality of PE and sport in primary schools and we would expect indicators of such improvement to include:

- A. The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
- B. The profile of PE and sport being raised across the school as a tool for whole school improvement
- C. Increased confidence, knowledge and skills of all staff in teaching PE and sport
- D. Broader experience of a range of sports and activities offered to all pupils
- E. Increased participation in competitive sport
- F. Greater awareness amongst pupils' around health and wellbeing e.g. dangers of obesity, mental health, smoking and other such activities that undermine pupils' health.

Sport Premium Grant

Funding for schools will be calculated by the number of primary aged pupils (between the ages of 5 and 11) as per the annual census. All schools with 17 or more primary aged pupils will receive a lump sum of £16,000 plus a premium of £10 per pupil. Smaller schools will receive £1,000 per pupil.
