Staffing 2022 – 2023

Dear Families,

It's hard to believe that it's the time of year where we talk about next year already!

Please find attached an overview of staffing across school for the new academic year. Wherever possible, we aim to match the skills of our wonderful Teaching Assistants (Learning Support Assistants) to the needs of the children within our school, therefore we are moving away from designating one TA to a year group. Instead, Learning Support Assistants will take a greater role in the delivery of bespoke interventions to ensure your children are achieving in-line with Age Related Expectations (ARE).

Transition afternoon – meet your new teacher on Monday 4th July

Children will enjoy meeting their new teacher on the afternoon of Monday 4th July. All of the teaching teams have got lots of exciting activities planned for the children to enjoy during their transition afternoon so be prepared for them to come home full of stories about their new class!

Home-time arrangements are the same as usual; there are no changes to the end of the day so please collect your children from the same classrooms they have been all year.
