Ready to learn, Prepared to flourish.

Dear Families,

It appears we may have had a gremlin in our Scholarpack app! We have had a few parents inform us that they have not received our letter regarding the Summer Activities that we have planned for your child. We have therefore attached a further copy to this letter for your reference.

You will note that we have a school trip planned for all children in years 3, 4, 5 and 6 on Tuesday to Skegness (EYFS, Y1 and Y2 are going on July 8th). There is **no cost** to parents, this is all being funded by school. Our way of saying thank you to your child for their dedication to their learning.

The bus is set to leave at 9:15am and children will be back in school before the end of the school day.

Please ensure you send your child with a packed lunch, water bottle, hat and apply sun cream before coming to school. For those children who are set to receive a hot lunch through Willoughby Foods, this has been amended to a packed lunch and will be taken with us on the trip.

Please send your child dressed in their PE uniform, packing a small towel and a change of clothes. Please do **not** pack any swimwear and do not send any money.

Please let school know if your child suffers from travel sickness and if you will medicate your child in the morning before setting off.

Opt Out

If you do not want your child to go on the trip to Skegness on Tuesday 21st June or Friday 8th July, please complete the slip below and return to school on Monday.

Photos will be taken during the trip for those children with permission to do so – make sure you keep checking our Twitter feed to see the magical memories being made.

So ... we have packed the fun, the lunches and we are ready to make lasting memories with your child on this wonderful beach trip. Let's hope the sun continues to shine in the same way your child has 'Let their light shine' this year.

If you have any questions, please do not hesitate to contact school on 01205 363210.

Yours sincerely

Mrs Booth
