Christmas Events

Dear Families,

We are enjoying every moment of this Advent period as we work our way through the exciting events the Christmas term has to offer! Although things may have to look a little different from the way they have in the past due to the ever-changing Covid picture, we are so very excited to be able to bring you all the fun and magic that Christmas in a primary school creates!

Our Nativity play this year is called, **"I'm gonna shine!"** which is this the perfect name for our school!

Due to our Covid risk-management plan, it will be performed by the children from Noah's Ark, Gospels and Apostles Classes in school and then it will be available for everyone to see from Wednesday 15th December when we will post the film online for your whole family to enjoy! We will not be doing live performances to families this year.

Making the Nativity available online means we do not have to limit the number of tickets available to families, instead you can all sit down together in the comfort of your own living rooms to watch the premier without having to worry about getting time off work or trying to decide who gets a ticket (when really, everyone wants one!). You can also watch it time and time again and maybe even learn some of the songs to get you in the festive mood!

Sadly, we are having to cancel our 'Carols around the tree' event which was planned for Thursday 16th December; instead, children will be coming home with a little treat for Christmas Eve!

Don't forget, Christingle will take place at St Nicholas Church in small groups on Monday 13th December. If you are able to help us walk to and from church that would be fantastic – speak to Mrs Bartram in the front office about the details!

We will also be celebrating 'Christmas Jumper Day' with our very own version of the event on **Friday 17th December** (the last day of term) called **'Christmas Colours day'**. This means your child can come to school in non-uniform ready for their class Christmas parties in the afternoon when hopefully a very special visitor may pay them a visit!

This is the perfect time of year to really reflect on how wonderful it is to belong to a school community that sparkles and shines all year round! We really are incredibly lucky.

Thank you for your ongoing support.

Yours sincerely,

Mrs F. Booth - Head Teacher
