Year 5 Saints Class Staffing Update

Dear Families,

What a wonderful term your children are having; there are so many great opportunities to develop knowledge, skills and understanding across a range of exciting topics such as the World Wars and scientific inventions of materials that changed the world!

I am writing to inform you that due to ongoing health concerns, Mrs Dobbs has decided to leave her post as class teacher at our school. I know you will join me in wishing her a speedy recovery and in sending her our best wishes for the future.

Mrs Toyne will complete her contract with us at the end of December and she will begin working as an independent education consultant for children with SEND needs. I am certain you will agree that Mrs Toyne has brought an amazing amount of creativity, consistency and stability whilst working in Saints class; we will be extremely sad to see her go but we completely support her in her new role. Mrs Toyne will always have a very special place in our hearts here at St Nicholas and I am certain we will see her again when she returns to tell us stories about her new adventures!

I am delighted to tell you that after completing her teaching qualification earlier this year, Mrs Clarke will take on the role as Saints Class Teacher in January until a permanent person is appointed. Mrs Clarke's decision to accept this temporary post fills our school family with hope and joy! It means that the children in Saints class will continue to receive only the very best, highest quality provision and they will be immersed in Mrs Clarke's high expectations which will enable them to flourish.

Mr Bell and I will work closely alongside Mrs Clarke to ensure she has the right support when planning the learning opportunities for your children. This means that you can be confident your child is well prepared to achieve what is expected for their age and that they are experiencing broad, balanced learning opportunities which help to develop their character too. Additional support will also be available from a range of other Teaching Assistants to ensure that every child is receiving the intervention they need in order to reach their potential and close any gaps in their knowledge and understanding.

If you have any questions or concerns you would like to discuss, please don't hesitate to get in touch via the Main Office – we would be delighted to hear from you.

Yours sincerely,

Mrs F. Booth – Head Teacher
