Staffing update – Mrs Tory

Dear Families,

Thank you for supporting the revised Covid-19 safety measures we have put into place to minimise the risk to our entire community from the spread of Covid and other seasonal illnesses such as influenza (Flu).

I write to inform you that Mrs Tory will be leaving St Nicholas CE Primary Academy at the end of the Autumn Term to begin a new post at Hawthorn Tree Primary School. Mrs Tory has been a valued member of our school family who has brought many new ideas to the EYFS; I am sure you will all join me in congratulating Mrs Tory and wishing her every success in her new school.

Although this news may seem a little unexpected, we have worked extremely hard to secure an amazing teacher to become Noah's Ark class teacher from January 2022 called Mrs Gibbons. This will ensure that your children continue to receive only the best education and opportunities to enable them to flourish.

After having worked at two of our partner Infinity schools, Gipsey Bridge and Wyberton, Mrs Gibbons joins us from Boston West Academy after being excited to have the opportunity to re-join Infinity Academies Trust.

Mrs Gibbons has a passion for art and being creative and she loves to dance and sing! Mrs Gibbons fell in love with our school when she visited us and at her interview she blew me away with her kindness and understanding of our school vision to "Let your light shine". Mrs Gibbons is already totally committed to your children and is busy making plans and resources to facilitate their continued progress.

In the new year, we will arrange some 'getting to know you' sessions for parents to attend so that you can find out who Mrs Gibbons is, how she works and the way she will enable your children to grow! These meetings will be set-up in accordance with the most up-to-date Covid risk assessment measures when the time comes.

In the meantime, if you have any questions or queries, please don't hesitate to get in touch.

Yours sincerely,

Mrs F. Booth
