

For your convenience we have put together a calendar of events for the school year. We make every effort to keep the dates as they are, however should we need to make changes we will give you as much notice as possible. At times, additional events may be added to the calendar so please check Parent hub, termly newsletters, the school website, class twitter feeds, class web pages and Face Book for details of any changes and additions.

Please note Swimming lessons are on hold at the present time. We will keep you updated with this situation.

As I'm sure you understand, every event is a 'proposed' date and is subject to the ever-changing Government guidance related to Covid-19. Whilst we will do our utmost to ensure the majority of the usual school events go ahead, these may look very different or may have to be cancelled at short notice if I am unable to sufficiently minimize the risks to attendees.

Your patience and understanding at these very strange times, is invaluable. Thank you.
