Ready to learn, Prepared to flourish.

Tuesday 14th July 2020

Dear Parents and Carers,

I cannot quite believe this is the last time I will be writing to you as parents/ carers of children in Year 6! Where has the time gone? It feels like it has just flown by!

As I am sure you understand, the end of your child's primary school career has been somewhat unusual with the ever-changing guidance around the Coronavirus pandemic making it tricky to plan any of the 'usual' end of term celebrations. However, we have all been thinking carefully about how to make Thursday 16th July *the best* day for your children; a day that is filled with fun and laughter from start to finish!

Due to current social distancing restrictions, we are quite limited in the types of activities we can offer for the entire year group to participate in. After lots of planning, we would like to end the day with ...

A COLOUR RUN!

During the afternoon, all of the Year 6 children and their 'bubble team of adults' will make their way onto the field in a socially distant manner ... and then battle will commence! The aim of the colour run is to end the day as colourful as they can! The adult team will be prepared with glitter bombs, water balloons, powder paint and more, so that the children's last afternoon at St Nicholas CE Primary Academy is as colourful as can be!

If your child would like to bring a change of clothes, that may be a good idea - otherwise they may be a little messy for walking into the house when they get home! 😊 If your child does not wish to take part in this event, that is absolutely no problem, please just send a note to their bubble teacher letting them know.

We look forward to celebrating this huge milestone in your child's life, with them. Their last primary school annual report and Leaver's Gift Bag will be sent home with them on Wednesday 15th July. We hope you enjoy reading through these.

If you have any questions, please don't hesitate to get in touch!

Yours sincerely,

Mrs F. Booth
