Ready to learn; Prepared to flourish.

Monday 13th January 2020

Dear Parents/Carers,

An exciting opportunity has arisen for our year 5 girls to go to Boston High School on Wednesday 22nd January 2020 to attend a STEM learning day, which includes learning about science, engineering and maths.

Pupils should be in full St Nicholas uniform.

Our pupils will be accompanied by two members of staff from St Nicholas C of E Primary Academy. Girls from other local Primary Schools will also be attending this event.

Transport will be provided by Boston High School. Pupils will be collected at 08.45am and will be returned to St Nicholas at 14.30pm approximately.

Boston High School will also be providing lunch.

Photographs will be taken to be published on Boston High School's website.

Please complete the attached slip and indicate on the form below that you are happy for your daughter to attend and if she has any dietary requirements or medical conditions.

If you have any question, please do not hesitate to speak to Mrs Harrison or myself.

Yours sincerely

Miss King and Mrs Harrison
