

Tuesday October 1st 2019

'Go Green for Dyslexia' is a global campaign in the first week of October. It is much more than raising awareness of dyslexia, it is a green light for taking action.

'Go Green' raises money for the Dyslexia Trust.

We will be Celebrating all things green by having a **non-uniform day !**

We are asking each child to wear something green and take the Green tongue challenge in school!
