Dear Parents and Carers,

Breaking News Update – Exciting Times Ahead For Our School

As you are aware Boston Witham Academies Federation (BWAf) agreed to support Boston St Nicholas Church of England Primary School for the year; the aim being to provide leadership and stability for the staff and children whilst a permanent Trust could be found that had experience in working with Church Schools.

The 12 months of support are passing by very quickly. Our official support is drawing closer to an end. Therefore I'm delighted to tell you, that it is expected that Boston St Nicholas Church of England Primary School will permanently join Infinity Academies Trust in September 2019.

Infinity Academies Trust is a local Trust of four schools (St Thomas' CE Primary Academy, Wyberton Primary Academy, Gipsey Bridge Academy and Spilsby Primary Academy). The Chief Executive Officer is Mr Gavin Booth. Mr Booth has been a local Headteacher for a number of years.

Over the summer term we will work closely with Infinity Academies Trust to ensure a smooth transition for all of our children.

On a personal note, I have really enjoyed working with the school over the last 12 months. The children are a credit to you all. I will miss the staff and children greatly and wish them all the best. They have an exciting future ahead of them. I am looking forward to visiting next year to see how the school continues to grow.

I will keep you informed of any updates.

Kindest regards,

Miss Rachel Hydes
