

Noah's Ark

Reception Newsletter: Term 1 - September 2021

Tapestry

We use Tapestry in Reception to share your child's learning and achievements in school with you. Within the next few weeks we will share log-in details so that you will be able to access these posts, and we would love you to share your child's learning from home with us. We will also use Tapestry to share videos to support learning at home.

Hello!

A huge welcome to all the wonderful children that have started school this week. You have all have been amazing (including all the grown ups!) at settling into school.

We are super proud of you all!

Mrs Tory is the Class Teacher and Miss Ingamells and Miss Featherstone are our Teaching Assistants. Miss Allen will be teaching Noah's Ark on a Friday afternoon. Please ensure that all people collecting your child are aware of their personal 'password', as children will be unable to be released without it.

Fabulous Phonics!

This term we are focusing on developing the children's phonics skills using the Read Write Inc. programme.

The children will be learning rhymes to associate with each letter.

They will then begin to blend these sounds together orally to say a word. Soon your child will be bring home sounds to learn in their Phonics pack.

Videos for Parents will be added to your child's Tapestry account to support your child in practising sounds at home.

White Rose Maths—Getting to know you

Our focus this term is:

- **Number:** We will focus on children exploring number in a variety of ways, counting, subitising and recognising.
- **Measure:** We will learn about comparing and ordering objects by size, weight and capacity, including measuring ourselves.
- **Shape:** We will learn about naming and describing 2D shape such as square, triangle, rectangle and circle.

Please support this learning at home by browsing the Maths section on our Class page on the school website <https://www.bostonstnicholas.co.uk>

Reading

Children will soon be bringing home a school reading book.

These will initially contain pictures only to help your child use their imagination and develop their vocabulary.

There is a huge benefit to sharing stories with your child, we will visit the school library during the week and the children will bring home a book to borrow and return the following week.

A bedtime story is a lovely way to end the day and will help your child progress.

Exciting News!

We have our very own Twitter Page! @StNNoahsArk

Follow us on Twitter along with the whole school page @BostonStNic to keep an eye on what we have been doing in school.

Browse our school website and Noah's Ark page on <https://www.bostonstnicholas.co.uk> for regular updates of our learning.

Our topic this term is:

Rainbow World!

During this topic we will be learning all about each other. Exploring our families, our school, our bodies, our feelings and our likes!

Our Class Promise

Noah's Ark class have made a promise to follow our class rules, which are:

We listen carefully.

We have kind hands and feet.

We try our best.

We take care of our toys and classroom.

We always tell the truth.

PE Days

PE will be on a **Monday** and **Friday**.

Please ensure your child comes to school wearing their full P.E kit suitable for the weather, as we will be having PE lessons outside.

Please ensure earrings are taken out and hair is tied up on these days.

Things to Remember...

Your child needs to bring each day:

♦ their book bag

♦ a waterproof coat

IMPORTANT: Please name **ALL** items: bags, lunchboxes, clothing etc.

A water bottle is provided at school.
