

Noah's Ark

Reception Newsletter: Term 4 2022

Welcome back!

Welcome back to what I hope to be another amazing term in Noah's Ark Class!

This term, the children will be expanding on their knowledge of 'Heroes' and we will be welcoming some exciting guests into the classroom through-out this term to further support the children's learning about our 'Community Heroes'.

Marvellous Maths

Our focus this term is:

- **Number:** We will be consolidating our prior learning of recognising and building numbers to 10. As well as focusing on adding two amounts together and finding number bonds of 10.
- **Shapes and Measure:** We will learn about 3D shapes and repeating patterns

Please support this learning at home too.

Our topic this term is

We are Legends : Community Heroes

The children will be learning about some important people and their role in our community. We will be centring our learning around the question:

'Do all heroes wear capes?'

Towards the end of the term, the children will have the opportunity to come to school dressed-up as what they would like to be when they are older. We encourage you to discuss this with your child through-out the term. A letter with further details will be sent out towards the end of the term.

Fabulous Phonics

This term, the children will continue learning to read and write through the phonetic programme 'Read, Write, Inc'.

The children are in groups based on their current reading ability. This ensures that they are provided with reading and writing support that is tailored to them. Depending on how far your child has reached in the programme, they may have a reading book sent home with them to practise for the week, as well as an online book. If your child does not bring home a 'phonics book', please be encouraged to utilise their weekly library book to discuss, re-tell and question their understanding as we build their reading knowledge.

Read Write Inc.

Don't Forget!

Please don't forget that you can find out about your child's learning in different ways. Firstly, you can log in to your child's tapestry account. If you need any support to retrieve your log in details, please see Mrs Gibbons. Secondly, you can go onto our class page on the school website:

<https://www.bostonstnicholas.co.uk/noahs-ark-class-eyfs-2/>

Lastly, you can visit our Twitter Page! @StNNoahsArk

PE Days

PE continues to be on a Monday and Friday.

Please ensure your child comes into school wearing a full P.E uniform.

This should be black or navy bottoms, plain white t-shirt and trainers or plimsols.

PE kits should not include any branded or patterned items of clothing.

Earrings should be taken out on PE days and long hair should be tied up.

Things to Remember...

Your child needs to bring each day:

- their book bag (essential for carrying their brand new reading books)

The weather is still on the colder side, so please ensure that your child comes into school suitably dressed. We learn outside during all kinds of weather, so it is important that your child comes to school with:

- A warm, waterproof coat
- Suitable, black shoes
- A jumper or cardigan

You are welcome to pack your some child spare clothes in case of any water or messy play through the day, but we also have some spare clothes in school that can be borrowed and returned.

Mrs Gibbons is happy to discuss or meet with you if there are any questions or concerns.
