

P.E.

On Mondays and Thursdays we will have our PE lessons in school where we will be learning lots of new skills playing handball and being the first ever class at our school to learn golf! Please come dressed on these days in the correct PE uniform, which is a white t-shirt, a plain black/blue track-suit and trainers. Please come with your hair tied back and remember to take out your earrings.

Writing

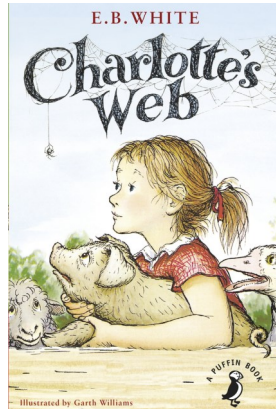

This term we will be writing to explain. We will be producing an explanation text and also writing a letter to our friends at other Infinity schools!

When writing we will be securing our knowledge of the following:

- Use of correct punctuation including capital letters, full stops, apostrophes, commas, exclamation marks and question marks.
- Organising our writing into paragraphs.
- Increasing our range of fronted adverbials and selecting appropriate ones for the context.
- Using a wider range of conjunctions for both co-ordination and subordination.

Reading

This term our class book will be by the author E. B. White and is called 'Charlotte's Web'... Imagine you don't want food but you really want love! We will find out if Wilbur gets his greatest wish and gets his very own best friend!

Reading at home is vital to every child's progress at school and to support with this, the children will receive a dojo each day they have read at home. Each week the children will have an opportunity to share what they have enjoyed

about their reading book and gain a raffle ticket to go into the weekly prize draw.

Our Value: Hope

Pilgrims Class Spring Term 2

We hope you all had a restful break and are ready for some more adventures as we await the arrival of spring!

Every child in our class made us proud last term, they shone their lights by working hard, being super role models and making amazing progress. We can't wait to see how they progress and mature this term through our new topic of 'Invasion'.

A massive well done goes to all the children who are completing their TTrockstars and reading each day at home...keep it up! Our expectation is that ALL children challenge themselves to 10 minutes on TTrockstars a day and certificates are awarded weekly for those taking part!

Please make sure you keep coming to school at 8.30am each day and come looking smart in your school uniform, and don't forget to share your password with anyone you send to collect your child from school!

R.E.

This term we will be exploring the question “What do Christians learn from the creation story?” We will study this story in the Bible and think about how it gives guidance to Christians about how God wants them to live. We will reflect on our own thoughts and views of the importance of the story and why it is so important to Christians.

Reminders...

Our class website has lots of information about what we are learning this term

www.bostonstnicholas.co.uk

If you need to contact us then you can email us directly through the class webpage.

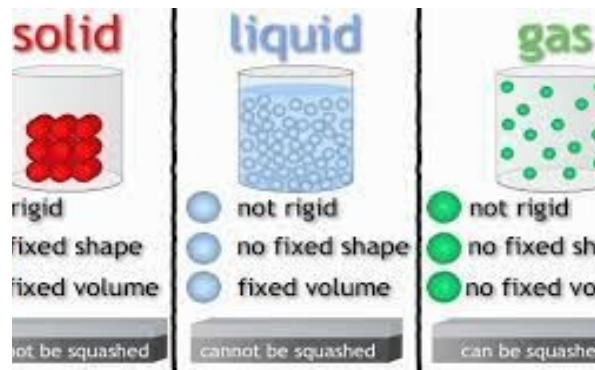

Follow us on Twitter @StPilgrims

Class Trip: Monday 28th February

Last day of term: Friday 1st April 2022

Science

This term we will be exploring the question: “Are solids, liquids and gases all the same?” We will find out what makes each of the states of matter special and use this knowledge to sort and describe materials. Next we will carry out different investigations to support our learning designing and carrying out fair tests to measure how heavy gases are, how materials can change their state of matter and how to dry wet clothes most efficiently! Finally, we will be introduced to the water cycle describing the different parts and why they are important.

Homework

Spending ten minutes daily on TTRockstars is vital to your child making good progress in learning their times tables. Children that use this app each day will receive certificates and rewards! Daily reading is also part of our homework and we encourage the children to respond to their reading in their reading diaries.

Maths

Key Learning: Multiplication and Division

- To multiply 2 digit by 1 digit
- To divide 2 digits by 1 digit.

Key Learning : Area

We will introduce the term ‘area; and help the children begin to understand what it means. We will begin to calculate area too!

Key Learning: Fractions

- Unit and non unit fractions
- Tenths/count in tenths
- Equivalent fractions
- Adding fractions

Topic

Our topic is ‘Invasion’. We will head back in time to study the significant events of the Early Middle Ages including the Anglo-Saxons, the Vikings and the Normans. We will also be able to conduct a local study on our visit to Peterborough Cathedral where we will explore the Cathedral’s Saxon origins and investigate its Saxon archaeological treasures . There will also be an opportunity to study artefacts and take part in a Saxon role play!
