

Sparkles for Saint Nicholas

A Saint Nicholas Day Writing Activity

Imagine all the homes that Saint Nicholas must visit. How will he know where the children live? Use this writing frame to plan instructions for children to make special sparkles for Saint Nicholas, so that he knows where to stop.

What ingredients do you need? Include something that sparkles and something for the donkey that travels with Saint Nicholas.

Where might you sprinkle the special sparkles? Remember, Saint Nicholas needs to see them clearly.

Could you say something or do something as you scatter the sparkles?

Explain how the sparkles work. How do they help Saint Nicholas?
